

TechniYagi HDT LTE

Directional antennas for reception of digital terrestrial TV in Full-HD resolution with LTE filter

TechniYagi HDT-p LTE & TechniYagi HDT-a LTE (with amplifier)

Technical data:

- Channels: 21-60
- Antenna gain:
TechniYagi HDT-p: 14 - 17,5 dB; **TechniYagi HDT-a:** 38-41,5 dB;
- Reception range:
TechniYagi HDT-p: 10-60 km; **TechniYagi HDT-a:** 10-100 km;
- Output impedance: 75 Ohm
- Frequency range: 474-786 MHz
- Band: IV-V
- Connection type: F
- No. of elements: 15 (pre-assembled)
- Filter: LTE
- Dimension (W x H x D): 95x50 cm

Main features

- **LTE filter** inside
- Antenna for reception of TV signal in Full-HD quality
- Antenna for reception of **DVB-T/DVB-T2**
- Light **aluminium construction** (2,2 kg)
- Fast and easy assembling through **EasyMount system**
- Antenna has ability to adjust of angle of inclination

Item no.	Name	EAN
0004/6032	TechniYagi HDT-p LTE [NEW]	4019588460324
0004/6033	TechniYagi HDT2-a LTE (active with amplifier) [NEW]	4019588460331
